

BLASTFAX

Correction of Recent Communication Regarding HPV Vaccine

On May 3, 2007 we sent you information (via blastfax) regarding the provision of Gardasil vaccine by the Georgia Vaccines for Children (VFC) Program. In that correspondence, the ICD-9 code was listed incorrectly. The correct ICD-9 code for this vaccine is V04.89. The CPT code is 90649.

We apologize for this mistake and any consequences it may have created for you.

For questions or concerns regarding this blastfax or any other immunization information, please contact the Georgia Chapter's Immunization Coordinator, Mike Chaney at (404) 881-5094 or mchaney@mag.org.

Only 5 weeks until....

**Pediatrics By the Sea!
&
Pediatric Coding Conference**

We hope we'll see you at this year's Pediatrics By the Sea, the spring meeting of the Georgia Chapter.

Some of the meeting events include...

- AAP Report from Jay Berkelhamer, MD, Atlanta, current AAP President
- 3 Outstanding seminars in Coding, Developmental Pediatrics and Practice Management.
- "Financial Issues for Young Physicians: Beyond Debts to Assets" sponsored by the Young Physicians Section
- "Helping Parents Avoid Micromanagement of their Children" with Avril Beckford, MD
- Residents' Job Fair on Friday and Saturday.

We look forward to seeing many of you there. Many housing options are available.

For registration & lodging information or complete program, consult your brochure, visit www.gaaap.org or call 404-881-5091.
