

YOUR INVITATION

You are invited to participate in the 2009 Charity Golf Classic benefiting the Pediatric Foundation of Georgia, the foundation of the Georgia Chapter of the American Academy of Pediatrics. The primary goals of the foundation are to promote the health, safety, and well-being of children and adolescents in Georgia; promote excellence in children's healthcare through continuing medical education, advocacy and research; and to promote pediatrics as a medical specialty to attract outstanding young physicians to the field.

Your participation in the tournament has helped the Foundation support these recent projects:

A grant to Camp Kudzu to support their summer camp for children with diabetes.

A grant to the Fragile Kids Foundation to support children with special needs.

Scholarships to assist residents to attend the national conference of the AAP.

Grants to the pediatric departments of Georgia medical schools to support pediatric interest groups.

To apply for a grant or to make a contribution, please call the Chapter office at 404-881-5091.

All contributions to the Foundation are tax deductible.
