

YOUR INVITATION

You are invited to participate in the 2010 Charity Golf Classic benefiting the Pediatric Foundation of Georgia, the foundation of the Georgia Chapter of the American Academy of Pediatrics. The primary goals of the foundation are to promote the health, safety, and well-being of children and adolescents in Georgia; promote excellence in children's healthcare through continuing medical education, advocacy and research; and to promote pediatrics as a medical specialty to attract outstanding young physicians to the field.

Your participation in the tournament has helped the Foundation support these recent projects:

Camp Kudzu, to support their summer camp for children with diabetes.

Fragile Kids Foundation, to support equipment purchases for children with special needs.

Renovacion Conyugal, a parental education program serving Cobb County.

Voice for Kids Health, for book purchases for their Reach & Read program.

To apply for a grant or to make a contribution, please call the Chapter office at 404-881-5091.

All contributions to the Foundation are tax deductible to the fullest extent allowed by law.
