Blast Communication

Follow up Regarding Vaccines for Children Influenza Vaccine Orders

(Below is a message we received from the Georgia Vaccines for Children Program that is being sent to VFC providers regarding Influenza Vaccine Orders)

As a reminder, VFC's Annual Flu Pre-Book closed on Thursday, January 21, 2016. To make adjustments to surveys completed prior to the deadline, please see below.

After the 1/21 due date, but prior to February 8, 2016: Submit a written request via e-mail to DPH-GAVFC@dph.ga.gov ATTN: Kaleisha, with the subject 2016 Flu Pre-book Change Request. Requests received prior to February 8 will be honored.

Requests received after February 8: Requests to decrease pre-booked amounts will be honored provided the vaccines have not already shipped to the provider location. Requests to increase pre-booked amounts will require submission of a wait list survey for only the increased dose amounts (i.e. original request for 100 doses, provider needs a total of 150 doses, the wait list submission should only include the request for the additional 50 doses). The wait list survey will be posted on the GRITS homepage and will run in the VFC Newsletter until the survey closes.

For questions or concerns regarding this blastfax or any other immunization information, please contact the Chapter's Immunization Coordinator, Mike Chaney at (404) 881-5094 or mchaney@gaaap.org
