Georgia AAP & Georgia Department of Public Health Team up  
to fight HPV related cancers

Greetings,

The Georgia Chapter, American Academy of Pediatrics and the Georgia Department of Public Health (DPH) are asking for your help to increase HPV vaccine completion rates. Please [click here](#) to see the letter I have signed along with Dr. Brenda Fitzgerald, DPH Commissioner, which will be sent to health care providers throughout Georgia. Please do your part to strongly recommend the HPV vaccine to your patients.
