Join your colleagues and golfing friends for a great day at this newly-renovated Arnold Palmer designed course. Featuring two new prizes this year...

***Attention Women Golfers!***

As more and more women are playing in the tournament we've set up a special prize for the lowest-scoring women's team this year. So put your team together and join the fun!

***Attention Pediatric Subspecialists!***

And also new this year: the Subspecialists Challenge Cup. We invite our subspecialty colleagues to vie for this honor and have your practice name engraved on the Challenge Cup. [Click here](#) to review the rules for the Subspecialty Challenge.

Plus, plenty of door prizes, our terrific golf shirts for every player, a silent auction of great sports memorabilia; and of course, scoring prizes for the best scoring teams. The course features new greens and a newly re-modeled clubhouse so plan on coming and enjoy the day.
