

Just 3 weeks until...  
*Pediatrics by the Sea*

June 10-13, 2015  
The Ritz-Carlton Amelia Island, Fla.

---

*Pediatrics by the Sea, our summer CME conference, is just 3 weeks away. Come to the beach to re-connect with your colleagues, learn, refresh & recharge! This year's topics include:*

Developmental pediatrics, Child Abuse & Neglect, CPT & ICD-10 coding, Sickle Cell Disease, Dermatology, Asthma QI, Concussion Management, Infectious Disease, Cardiology, Immunizations, Pediatric Surgical Update, Allergy & Immunology, Endocrinology, and Physiology Update and more!

**Just added!.....**

Satellite Symposia @ 12:15pm on Friday & Saturday!

Satellite Symposia are educational presentations from exhibitors during the conference. It's a great way to learn new medical & scientific information & learn about their products. There will be two such events at Pediatrics by the Sea at the following times:

**Friday, June 12, 2015 12:15 – 1:15 pm**

Identifying Lysosomal Storage Disorders: Make the Diagnosis, Change a Life  
Maryam Banikazemi, MD  
Valhalla, New York

**Saturday, June 13, 2015 12:15 – 1:15 pm**

Seasonal Allergic Rhinitis & Maintenance Treatment of Asthma  
Kevin Murphy, MD  
Omaha, Nebraska

**President's Reception**

Don't miss the President's Reception on Saturday night featuring music from the "God Bless the Child" band; and a Photo Booth to make your memories of *Pediatrics by the Sea*. Bring your family & join us for the party!

For program & lodging information, visit [www.gaaap.org](http://www.gaaap.org). For more information, call Jaime Rice Searcy at 404-881-5091 or email at [jrice@gaaap.org](mailto:jrice@gaaap.org).

*Have a wonderful Memorial Day Weekend and we'll see you at the beach!*
