

# Pediatric Growth & Endocrinology ECHO® Program

*Providing free CME & convenient virtual learning to enhance your knowledge & skills!*

**SESSION BEGINS APRIL 20, 2017**  
**Enrollment Now Open!**

**To register:** <https://echospring2017.eventbrite.com>

Join your colleagues in learning more about pediatric growth & endocrinology by enrolling in an innovative telementoring model of health care education. This model links expert specialist at a “hub” with pediatric providers and other clinical staff in local community practice “spokes.” Lead by Farah Khatoon, DO, MPH, a board-certified pediatric endocrinologist at Navicent Health Children’s Hospital, Macon, Georgia, spokes participate in bi-weekly virtual teleECHO clinics combined with mentoring and patient case studies.

This program offers a total of six 1hr clinics; each clinic combines brief evidence-based didactics with de-identified case presentations. All pediatric providers & staff including: pediatricians, family physicians, PA’s, nurse practitioners, nurses, and MA’s can participate. There is no cost to participate.

## When will it be offered?

- **Spring Session:**  
April 20, May 4 & 18, June 1 & 15, July 6.
- **All sessions are on Thursdays:**
- **3:00 - 4:00 pm Eastern Time**
- **2:00 - 3:00 pm Central Time**
- **1:00 - 2:00 pm Mountain Time**
- **12:00 - 1:00 pm Pacific Time**

## Benefits to Providers

- ✓ Learn evidence-based guidelines
- ✓ Gain knowledge & confidence in managing complex patients with endocrinology needs
- ✓ Become an expert in your community
- ✓ Access to a Pediatric Endocrinologist Free CME (6 hrs.)
- ✓ Convenient Virtual Learning

## What Equipment Do I Need to Participate in ECHO®?

To connect to the ECHO® videoconference you can use a smartphone, tablet, or PC. You will need a webcam. Or use your landline for an audio only connection.
