

## **BLAST COMMUNICATION**

*NOTE: if you are reading this message as a blast fax, visit us on the web at [www.gaEPIC.org](http://www.gaEPIC.org) to complete a program request form or for more information on the Chapter's EPIC programs.*

### **EPIC Programs Now Delivered Virtually**

The Chapter's popular EPIC programs are going virtual. We are innovating to bring our peer-to-peer education to you in a new way- online! We can customize a program to your office staff availability (they can even log on or call in from home) or you can register for one of our new webinar offerings. Please visit the EPIC website at [www.GaEPIC.org](http://www.GaEPIC.org) to request a breastfeeding or immunization program or register for one of our upcoming webinars.

As always, this education is at no cost to your practice through our partnership with the Georgia Department of Public Health and includes a resource kit and continuing education for physicians and nurses. In addition to our standard programs, we will also include COVID-19 related information and resources to assist your practice to continue to support families during the pandemic.

### **Virtual Epic Breastfeeding Programs**

To schedule a customized virtual breastfeeding education program at a time convenient to your office and staff, please visit our website to complete the [EPIC Breastfeeding Request Form](#) to request one or more of our three topics: Breastfeeding Fundamentals, Advanced Breastfeeding Support, or Supporting Breastfeeding in the Hospital. Intended Audience includes: Physicians, Physician Assistants, Nurse Practitioners, Nurses, Nursing Staff, Medical Assistants, and other health care professionals.

### **EPIC Breastfeeding Webinars**

Would you rather have the flexibility of joining us at a set date and time?

Register for one of our upcoming free webinars, available to any health care provider practicing in Georgia and presenting our newly updated 2020 curriculum and offering 1.0 CME/1.0 CNE/1.0 L-CERP.
